**STATEMENT OF ALAN T. McCOLLOM IN SUPPORT OF
FILING ON BEHALF OF NONSIGNING INVENTOR (37 C.F.R. § 1.47)**

This statement is made as to the facts that are relied upon to establish the diligent effort made to secure the execution of the declaration by the attorney for the assignee of the above-identified patent application before deposit thereof in the US Patent and Trademark Office.

Alan T. McCollom, one of the patent attorneys for Acres Gaming, Inc., the assignee and owner of rights in this application, attempted to secure the signature of Rena M. Schoonmaker, one of two coinventors in this application, but was unable to do so. The following facts describe the efforts to obtain Ms. Schoonmaker's signature.

I sent Mr. Jordan a declaration and assignment as attachments in a November 1, 2004 email, a copy of which is at the end of an email string that is attached as Exhibit A. I received the signed declaration of inventor R. Jeffrey Jordan on November 5, 2004, via US mail.

Because Ms. Schoonmaker was no longer employed by Acres Gaming, Inc., which was acquired by IGT in 2003, Mr. Jordan forwarded my email to Rick Rowe, an IGT vice president, to see if he could get Ms. Schoonmaker to sign the declaration. A copy of Mr. Rowe's November 3, 2003 email forwarding the declaration and assignment to Ms. Schoonmaker's work address at Harrah's, her new employer, is also part of the email string in Exhibit A.

It can be seen that Ms. Schoonmaker received this email because she replied to Mr. Rowe on November 3, 2003, asking about what the invention title referred to.

On November 3, 2004, I received Mr. Rowe's email (also part of Exhibit A), which he copied to Ms. Schoonmaker, asking me to respond to her inquiry.

I responded to Ms. Schoonmaker's inquiry by email of November 9, 2003, which is included in Exhibit A.

Mr. Rowe's November 10, 2003 email (Exhibit A) authorized me to work directly with Ms. Schoonmaker to obtain the executed declaration and assignment.

On November 16, 2004, not having received any communication from Ms. Schoonmaker, I sent her another email (Exhibit A) that attached the specification, including drawings, an assignment and a declaration for the application. Ms. Schoonmaker did not respond to my November 16 email.

On January 14, 2005, I sent Ms. Schoonmaker another email (Exhibit A), forwarding my November 16, 2004 email, including the application, declaration, and assignment, and again requested her to sign declaration and assignment and return it to me. Ms. Schoonmaker did not respond to my January 14 email.

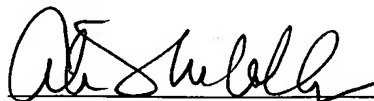

On January 14, 2005, I also sent Ms. Schoonmaker a letter, attached as Exhibit B, via certified mail, return receipt requested (see Exhibit C), to her last known address, 1753 Park Mesa Lane, Las Vegas, Nevada 89128. Ms. Schoonmaker has not responded to my January 14 letter.

Attached as Exhibit D is an Employee Agreement between Acres Gaming Incorporated and the nonsigning inventor that states, in part, "I agree . . . [A]t all times during and after my employment with the Company . . . to execute and deliver such assignments and other documents . . . as may be requested by the Company to obtain or uphold, for the benefit of the Company, patents in any and all countries. . ."

I, the undersigned, declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,

MARGER JOHNSON & McCOLLOM, P.C.

Sorry for the late response. Rena, this is the one that you and Jeff did for the self service center. It is a combined currency dispenser similar to ATM, bill validator, card reader, and computer work station, all connected to player tracking and slot accounting system.

Hi Rena! I hope you are well. It has been sometime since we talked last. I was wondering if you could help me. I have been asked to follow up with you to sign the attached documents related to a patent you were listed on as an inventor during your employment with Acres Gaming. If you could also get them notarized, that would be great. I can have someone come over and pick them up from you if that would be possible. I could also send a person who can notarize the papers after sign if that would help.

I really appreciate your help. Please let me know if you have any questions at all and I will try to get you answers.

Jeff,

As we just discussed, here is the declaration and assignment for you and Rena to execute in the application relating to the Electronic Gaming Account Service Center, which was filed without signatures in the US Patent and Trademark Office on April 7, 2004. If either of you need to see the application, I can forward it to you.

As I mentioned, these were mistakenly sent to IGT so we are behind on getting these signed. We can avoid payment of a late fee, which our firm will absorb, if we file the declaration by Nov. 22, 2004.

Please note that the assignment should be notarized. Let me know if you have any questions.
